Dear Don:

We are pleased to announce that Tru Wall, Inc. has been selected as a recipient of a "1997 Outstanding Subcontractor Award" from Turner Construction Company.

The nominations for our awards came from our jobsite staffs and are based upon overall job performance considering preconstruction, managing, engineering, scheduling, expediting, quality of work, safety, relations with others, pricing, cooperation and expertise in your field. Tru Wall, Inc. was selected in particular for your work on Toyota PE/QD Lab.

All too often subcontractors hear from the General Contractors only when we have a complaint or gripe. We at Turner recognize the value and importance of our subcontractors and, in this instance, pay special tribute to your organization for your performance and contribution to Turner. **Congratulations and thank you!**

We would appreciate your joining us and the other seven Subcontractor recipients at a luncheon in your honor on Wednesday, June 24, 1998, at the Hyde Park Country Club, 3740 Erie Avenue, Cincinnati, Ohio, at 11:45 A.M.

Please notify Donna Sample at 721-4224 to confirm your attendance.

Again, our thanks and appreciation for a job well done!

Very truly yours,

TURNER CONSTRUCTION COMPANY
